

## Ribera Dos Mares

### White sandy beaches

walked on for the very first time by the nobility a little bit more than 2 centuries ago and it provided the promenade with a quite large variety of listed buildings built to be enjoyed and looked at. Santiago de La Ribera and San Javier tell us how the sea was a gift and how it still keeps the flavour today and it can be enjoyed for any new visitor and normally reminds.

### The Mar Menor Sea

offers the possibility of a great variety of different atmospheres, allowing the visitor to decide what to choose among different options such as the salt lakes, mud baths, Spas, Nature landscapes, nautical and water sports, hotels and an endless number of different choices that are offered for a privileged and warm Sea which has know to change depending on every day taste.

### Sports are a priority

in the huge handful of choices that Ribera Dos Mares offers us, a whole network of golf courses, such as La Serena Golf in Los Alcázares and Roda Golf in San Javier which allow to practice a sport for any age. We could find in the shores of Santiago de La Ribera the Infanta Cristina Sport Centre, which is a paradise to practice any type of nautical and water sports like sail, scuba diving, windsurfing or canoeing.

### The quality of life is

considered from and ample cultural option like dance festivals, music (especially Jazz) and theatre.

### Moreover it is very

close to other big cities with a great number of shows all year round. This quality comes as well with the food, they are very famous the rice, fresh fish, seafood and vegetables coming from the Cartagena Orchard. Finally 310 days of sunshine making The Mar Menor the biggest swimming pool of the world.

### Ribera Dos Mares is a

gated development of 24 3 bed / 2 bath townhouses with community swimming pool, ample terraces and outdoor spaces, high qualities, underground parking space and store room. It is half a mile far from the Mar Menor, within walking distance to Santiago town centre with a huge variety of shops, bars, restaurants, banks and services like a medical centre, hospital, post office, Guardia Civil Police Station or church.
