

La Herrada

La Herrada is situated approximately 5 minute drive from the traditional town of Los Montesinos. The small urbanisation is also close to the popular town of Quesada and overlooks the natural beauty of the Laguna in Torrevieja.

La Herrada offers you a relaxed and friendly environment in a real Spanish village where you don't need a car to be able to enjoy the markets, shops, restaurants and fiestas celebrated throughout the year.

The town is only 35 km from Murcia airport and 42 km from Alicante Airport. The golf courses La Finca and La Marquesa can be found less than 15 minutes away.
