

## Polaris World Rentals

Long term Polaris World Rentals available. Search through our list of recent offers to find your ideal property rental.

We offer Long Term Rentals on all the Polaris World Resorts from a minimum of 3 months up to 11 months, once the potential tenant has selected the property that they would like to rent we agree the terms and conditions between the owner and the tenant and arrange a fully legal contract prepared by our Spanish solicitor, this is written in both Spanish and English to avoid any confusion. Should an owner and tenant agree to more than 11 months we can arrange this for you under a different contract agreement.

We have rented 2 bedroom 1 bathroom apartments from &euro;350 per month, frontline golf townhouse from &euro;400 a month and detached villas from a little as &euro;500 per month. All our long term rental prices include community charge and council tax, the renter is responsible for all utility bills.

So if you want to rent out your property in Murcia or you want to rent a property in Murcia then have a look at our rental database or contact us directly.
