

## Corvera Golf

CORVERA GOLF & COUNTRY CLUB is a residential complex, located in the municipal area of Corvera, within a natural valley, surrounded by mountains and protected areas. There is an 18-hole, par 72 golf course, designed by Jose Maria Olazabal, where you can live with a wide variety of exclusive services that will match all your requirements for comfort and safety. The complex is integrated into a beautiful natural setting, where residents' safety, the quality of the homes and the peace and quiet it offers, are all paramount. Corvera Golf & Country Club is 2.096.749m<sup>2</sup> in size.

The resort offers you the following services and activities: spa, medical centre, luxury hotel, shops, 24-hour security, restaurants, golf, tennis / padel court, football pitch, horse riding, trekking and mountain biking. From Corvera Golf you have good connections to the Mar Menor Sea, (20 minutes drive), San Javier airport (25 minutes), Corvera village (2 minutes), Virgen de la Arrixaca Hospital (10 minutes) and El Limonar International School, in the locality of La Alberca (15 minutes). Within a 15-30 minute drive you will reach the coast of the Mar Menor with plenty of fine sandy beaches where you can relax in the sun or enjoy various water sports in the pristine waters. Corvera is south of the cosmopolitan capital of MURCIA, a beautiful city full of history and wonderful architecture. The airport at San Javier can be reached by car within a 25-30 minute drive from Corvera.
